
Chapter 6

After Body Walk

Completing Body Walk

All of your planning and hard work paid off! Body Walk is over and you can congratulate yourself on a successful day! What's next?

There are several important things to do to finalize the Body Walk experience:

- Be sure to thank volunteers who helped throughout the project! The people who unloaded and loaded the truck and the volunteers who worked in each exhibit station were key to the success of the day. Let them know they were appreciated! There is a sample thank you letter in the Appendix that you can adapt to fit your needs. The certificate is also available at our website:
http://www.uofabodywalk.org/promotion/Promotional_Items.htm
- Complete and mail the Body Walk Evaluation Form found in the Appendix. We value your opinion! YOU can help us build on the success of Body Walk and improve the experience. Please take the time to complete and return the evaluation!
- Remind teachers that they have nine more classroom activities to implement-one for each of the Body Walk stations. Also, teachers will appreciate a thank you note!!
- Share your enthusiasm for Body Walk with teachers, administrators and parents in other schools. Encourage them to request Body Walk for their school next year!

Notes
